

MANTENO PUBLIC LIBRARY DISTRICT HOTSPOT LENDING POLICY

The Manteno Public Library District provides mobile hotspots for checkout to serve the needs of the Library and the Manteno Library community. Use of the hotspot service is governed by the policy established by the Library Board of Trustees and any applicable rules or regulations adopted by the Library. The Director, as the executor of the policy for the Board of Trustees, has discretion in determining what use is “in the best interest of the Library” and is authorized to act accordingly, including limiting the use of the hotspot service by individuals whose activities interfere with library operations, adversely affect public safety, or cause public disturbances. The Board of Trustees may modify, amend or supplement this policy, as it deems necessary and appropriate.

BORROWER QUALIFICATIONS

Hotspots shall only be borrowed by Manteno Public Library Cardholders:

- who are 18 years and older
- who are in good standing (i.e., current library card, no overdue library material, no outstanding fines) and;
- who have had a library card for 30 days**
- **THERE ARE NO EXCEPTIONS TO THESE CRITERIA.**

**New card holders must establish a borrowing record within the first 30 days with at least two (2) checkouts. If an individual has had a library card from another PrairieCat Library or Illinois Library, the former library will be contacted to see if the patron is in good standing and has an established borrowing record.
